

## **POLICY UPDATE**

AMO has released its <u>pre-budget submission</u>, calling on the provincial government to sit down with municipalities and work together on a joint review of municipal finance, including a detailed analysis of Ontario's infrastructure investment and service delivery needs.

The full pre-budget submission builds on the ongoing discussions AMO has been leading across the province around the stability and sustainability of municipal finances, including a <u>presentation</u> on the plenary stage at the 2024 ROMA Conference.

We need your help.

Municipal councils are encouraged to support AMO's ongoing advocacy efforts by:

- Highlighting the need for this review when meetings with local MPPs and community members, using key messages included in <u>AMO's pre-budget</u> backgrounder.
- Passing a <u>council resolution</u> at your next meeting, calling on the province to commit to this review in its upcoming provincial budget
- Sharing your support with local media channels using <u>our news release template</u> and social media messaging
