The Right Honourable Justin Trudeau, Prime Minister of Canada

Dear Prime Minister:

Re: Solve the Crisis

Please be advised that the Council of the Regional Municipality of Waterloo at their regular meeting held on September 25, 2024, approved the following motion:

Whereas there is a humanitarian crisis in cities, large and small, urban and rural, across Ontario. We need immediate action at all levels of government, starting with the Province; and

Whereas the homelessness, mental health and addictions crisis continues to grow with 3432 drug related deaths in Ontario in 2023 as well as with an estimated 234,000 Ontarians experiencing homelessness and over 1400 homeless encampments across Ontario communities in 2023; and

Whereas the province has provided additional funding for mental health, addictions and homelessness programs, including the recently announced Homelessness and Addiction Recovery Treatment (HART) Hubs, it does not adequately address the growing crisis and the financial and social impact on municipalities and regions across the province; and

Whereas municipalities and regions are stepping up and working with community partners to put in place community-specific solutions to address this crisis, but municipalities and regions lack the expertise, capacity, or resources to address these increasingly complex health care and housing issues alone; and

Whereas this is primarily a health issue that falls under provincial jurisdiction and municipalities and regions should not be using the property tax base to fund these programs; and

Whereas there is no provincial Minister focused on this crisis leading to unanswered questions that span over a dozen ministries, and a lack of support to manage the increasing needs of those who are unhoused.

Now Therefore be it resolved that the Region of Waterloo supports the Solve the Crisis Campaign;

And calls on provincial and federal governments to commit to immediate action to solve the Humanitarian Crisis that Ontario is facing as the numbers of unhoused individuals and those suffering with mental health & addictions grows exponentially;

AND that the province officially makes Homelessness a Health Priority;

AND appoints a responsible Minister and Ministry with the appropriate funding and powers as a single point of contact to address the full spectrum of housing needs as well as mental health, addictions and wrap around supports;

AND request that the provincial government strike a task force with broad sector representatives including municipalities, regions, healthcare, first responders, community services, the business community and the tourism industry to develop a *Made in Ontario Action Plan*;

AND that this provincial task force reviews current programs developed by municipalities, regions and community partners that have proven successful in our communities, to ensure that solutions can be implemented quickly and effectively to tackle this crisis.

AND provides the adequate, sufficient and sustainable funding to ensure that municipalities have the tools and resources to support individuals suffering with mental health and addictions, including unhoused people and those from vulnerable populations that may be disproportionately impacted;

And that this Council calls on the residents across the Region of Waterloo to join us in appealing to the provincial and federal governments for support by visiting SolveTheCrisis.ca and showing your support;

And further that a copy of this motion be sent to:
