Re: Resolution on Water Testing Services for Private Drinking Water

At its regular meeting of Council held on May 15, 2024, the Township of Amaranth Council passed the following resolution concerning Water Testing Services for Private Drinking Water.

Resolution #: 5

Moved by: G. Little

Seconded by: A. Stirk

BE IT RESOLVED THAT:

Whereas the Ontario Auditor General's annual report on public health from December 2023 indicates that Public Health Ontario is proposing the phasing-out of free provincial water testing services for private drinking water; and

Whereas free private drinking water testing services has played a pivotal role in safeguarding public health, particularly in rural communities, including the entire Township of Amaranth, that rely predominantly on private drinking water; and

Whereas the removal of free private drinking water testing could lead to a reduction in testing, potentially increasing the risk of waterborne diseases in these vulnerable populations; and

Whereas the tragic events in Walkerton, Ontario underscored the critical importance of safe drinking water.

Now Therefore Be It Resolved that The Township of Amaranth hereby requests that the Province reconsider and ultimately decide against the proposed phasing-out of free private drinking water testing services.

Further Be It Resolved that this resolution be sent to all Ontario municipalities, Minister of Environment Conservation and Parks, Minister of Health, Wellington Dufferin Guelph Public Health Unit, and MPP Sylvia Jones.
