Dear Sir/Madam:

Re: Public Health Ontario – Phasing Out Free Water Testing for Private Wells

Please be advised that the Town of New Tecumseth Council passed the following resolution at their meeting of June 17, 2024:

Whereas the Ontario Auditor General's annual report on public health from December 2023 indicates that Public Health Ontario is proposing the phasing-out of free provincial water testing services for private drinking water;

And Whereas free private drinking water testing services has played a pivotal role in safeguarding public health, particularly in rural communities, including the entire Township of The Archipelago, that rely predominantly on private drinking water;

And Whereas the removal of free private drinking water testing could lead to a reduction in testing, potentially increasing the risk of waterborne diseases in these vulnerable populations;

And Whereas the tragic events in Walkerton, Ontario underscored the critical importance of safe drinking water.

Now Therefore Be It Resolved That the Town of New Tecumseth hereby requests that the Province reconsider and ultimately decide against the proposed phasing-out of free private drinking water testing services;

And Further That this resolution be sent to all Ontario municipalities, Andrea Khanjin, Minister of Environment Conservation and Parks, Sylvia Jones, Minister of Health, Simcoe Muskoka District Health Unit, and Brian Saunderson, MPP Simcoe -Grey.
