January 21, 2025 – FOR IMMEDIATE RELEASE

Recreation & Culture Master Plan - Community Survey Open!

Deep River, ON - The Town of Deep River is creating a Recreation and Culture Master Plan and has launched a community survey designed to gather valuable feedback from the community and neighbouring communities.

K.A. Community Consulting is guiding the project and has been conducting facility assessments and meeting with key stakeholders in the community. In order to ensure a diversity of voices are heard and reflected in upcoming decisions, we have made this survey available from January 21 to February 14.

The survey can be accessed from the Town of Deep River website, and paper copies will be made available at key locations including the local library. The survey takes approximately 15 minutes to complete, and will gather your insights on parks, facilities, cultural and recreational programs, and more!

Once the survey closes, results will be analyzed and shared with the community through the background report that will be presented to Council in late Winter. The results will be instrumental in shaping recommendations and initiatives for a 10-year horizon.

For more information on the Recreation and Culture Master Plan update, visit www.deepriver.ca or get in touch with our team by emailing townmail@deepriver.ca.
