## City Council

### New Business - Meeting 23

CC23.1	ACTION	Amended		Ward: All
--------	--------	---------	--	-----------

### Respecting Local Democracy and Cities

#### City Council Decision

City Council on November 13 and 14, 2024, adopted the following:

1. City Council express its opposition to the proposed amendments to Part XII of the Highway Traffic Act contained in Bill 212, and any related proposed regulations, both of which contradict the stated purpose of the City of Toronto Act, 2006, to allow the City to determine what is in the public interest of the city.
2. City Council request the Province to work collaboratively with cities to address congestion and road safety, and accordingly withdraw the proposed amendments to Part XII of the Highway Traffic Act contained in Bill 212.
3. City Council direct the City Solicitor to review Bill 212 and any accompanying regulations, once in force, and to report to City Council with a summary of the legislation and regulations and the potential for commencing litigation to challenge Bill 212 or the regulations.
4. City Council request the General Manager, Transportation Services, or designates, to appear before the Ontario Legislature's Standing Committee on Heritage, Infrastructure, and Cultural Policy as part of public hearings regarding Bill 212 to give testimony in accordance with the position outlined in this item.
5. City Council request the City Manager to submit written comments to Ontario's Regulatory Registry and Environment Registry of Ontario that reflect the City's positions outlined in this item, including the City's opposition to any requirement of the City to provide support in the removal of City Infrastructure approved by its democratically elected City Council.
6. City Council adopt the position that no costs associated with the amendments to Part XII of the Highway Traffic Act should be incurred or paid by the City of Toronto, including staff time, planning, design, construction, and traffic management as a result of the congestion created by the removal.
7. City Council forward this item to the Premier of Ontario, the Minister of Transportation, the Minister of Municipal Affairs and Housing, the Leader of the Official Opposition, all Ontario Members of Provincial Parliament, the Association of Municipalities of Ontario, the Ontario Big City Mayors, and all Ontario municipalities and include City Council's commitment to the right of municipalities to govern their own affairs and represent the interests of their residents and electors.

8. City Council request the Ministry of Transportation to permit the publication of the results of the Transportation Tomorrow Survey 2022 as soon as possible to facilitate the use of the study in informing collaborative consultations with cities regarding options for addressing congestion and road safety.

9. City Council direct the City Manager to report back on the feasibility of placing signs on City roads where there are traffic delays resulting from the Provincial mandate to remove bike lanes from Toronto roads and that these signs would read "This road congestion and traffic delay is the result of Premier Ford's Bill 212".

10. City Council direct that Confidential Attachment 1 to the supplementary report (November 13, 2024) from the City Manager remain confidential in its entirety, as it contains information explicitly supplied in confidence to the City of Toronto as a partner municipality in the Transportation Tomorrow Survey 2022, conducted by a consultant retained by the Ministry of Transportation of Ontario as part of a cooperative effort by local and provincial government agencies to collect information about urban travel in southern Ontario, until such time as the Transportation Tomorrow Survey 2022 is authorized to be published by the Ministry of Transportation of Ontario.

Confidential Attachment 1 to the supplementary report (November 13, 2024) from the City Manager remains confidential in its entirety in accordance with the provisions of the City of Toronto Act, 2006, as it contains information explicitly supplied in confidence to the City of Toronto as a partner municipality in the Transportation Tomorrow Survey 2022, conducted by a consultant retained by the Ministry of Transportation of Ontario as part of a cooperative effort by local and provincial government agencies to collect information about urban travel in southern Ontario, until such time as the Transportation Tomorrow Survey 2022 is authorized to be published by the Ministry of Transportation of Ontario.

## **Summary**

The recent provincial Bill 212 seeks to overturn the decisions and work of our locally elected Toronto City Council. If passed, the Bill means one government would, at tremendous cost to the taxpayer and without collaboration, undo another government's work.

As Mayor, it is my responsibility to stand up for the decision-making authority of City Council and the expertise of our professional public service which supports that decision-making. As such, I am working with City Staff to review the City's options and will provide recommendations on this item prior to the City Council meeting on November 13, 2024.
