Dear Heads of Council and Clerks,

Communities across Ontario have been facing critical healthcare challenges, including long waitlists for primary care, shortages of doctors and other healthcare workers; and emergency room closures. These cracks in Ontario's health care system are impacting economic development, health, and well-being at the local level.

In response, the Ontario Medical Association (OMA) and the Association of Municipalities of Ontario (AMO) are working collaboratively to advocate for a better healthcare system for Ontario's residents and communities.

We have jointly developed the attached draft council resolution (Appendix A - Also in [PDF](#) and [Word](#) Versions), urging the provincial government to recognize the physician shortage in your municipality and the rest of Ontario. By adopting this resolution, your municipality can play a crucial role in highlighting the urgent need for more healthcare resources and support.

AMO is excited to welcome everyone to Ottawa for our annual conference from August 18-21, 2024. We are pleased to inform you that the OMA will be participating at this year's conference. Along with sponsoring the Rural Caucus Lunch on August 20, the OMA has reserved meeting room at the Fairmont Château Laurier for both August 20 and 21 to meet directly with municipal leaders. During these meetings, we would like to hear what you are seeing on the ground and discuss opportunities to work closer with you. We believe that collaboration between Ontario's doctors and all 444 municipalities is essential in addressing the healthcare needs of your community.

To set up a meeting with the OMA, please reach out to Tarun.Saroya@OMA.org (Senior Advisor for Government Relations and Advocacy) to book a 15-30 minute time slot at your earliest convenience.

We look forward to your positive response and to working together towards a healthier future for all Ontarians.

Yours sincerely,

Kimberly Moran
CEO, Ontario Medical Association

Colin Best
AMO President
